Steps for planning a Station Grill outdoor kitchen.

We have created this tool to guide you through the purchase of a Station Grill outdoor kitchen!

1. The terrace floor is the first thing that needs to be completed (We recommend either: a concrete slab, a deck on piles or tiles on pedestals.)
   When fabricating / installing the floor, make sure you plan the pipes for gas, electricity and water according to the installation plans provided.

2. Measurement of the outdoor kitchen - 6/8 weeks for its manufacture and installation.

3. Measuring countertops: The manufacturing time of the countertop depends on the manufacturers.

4. Plumbing, gas and electricity (It is easier to do this when there is no countertop).

5. Installation of the countertop.

6. Connection of plumbing if necessary (sink and faucet).

7. Installation of cooking appliances.

8. Gas connection.

You can now fully enjoy your outdoor kitchen in your backyard!

Warranty for outdoor kitchens manufactured by Station Grill

Congratulations!

In keeping with our commitment to quality, integrity, and expert workmanship, this product meets or exceeds the highest industry standard requirements.

Warranty

Cabinet components - Five (5) year warranty on parts and one (1) year on labour. With this warranty, Station Grill agrees to only replace defective products. The replacement of defective products does not extend or establish a new warranty period. This warranty does not apply to:

- Deterioration due to normal use;
- deterioration due to improper use or maintenance;
- deterioration due to improper installation;
- deterioration due to accidents and negligence;
- deterioration due to the proximity of an excessive heat source;
- deterioration resulting from alteration or repairs carried out by personnel not working for Station Grill.

This warranty does not extend to transportation, installation or labour costs, nor to indirect or direct incidents related to the replacement of the defective product, nor to loss of enjoyment or other damage or inconvenience. No distributor, representative or agent is authorized to modify this warranty. The products will be replaced depending on the model, profile, finish, dimensions and quantities of the original production. Any modification remains entirely at the discretion of Station Grill. Depending on the availability of the products at the time of replacement, certain substitutions may be imposed, and fees may apply.

- PUR, CLASSIC, LUX AND NATUR collections - Front of doors, drawers and finishing panels - Five (5) year warranty on parts and one (1) year warranty on labour. Station Grill guarantees, from the date of purchase, under normal conditions of use, the finish and discolouration.

- BLUMOTION® drawer runners - 5-year warranty - and BLUM® hinges - 5-year warranty. Station Grill guarantees, under normal conditions of use, that the BLUMOTION® drawer slides and hinges will remain in good working order. This warranty applies to hardware only and does not include labour.

• Dekton Countertop - 25-year warranty offered by the manufacturer and 1-year warranty offered for the installation by the countertop manufacturer. Refer to the manufacturer's website: https://www.dekton.ca/warranty/ for more information.

Procedures and Conditions of Appeal
All claims made under this warranty must be accompanied by proof of purchase. Please allow reasonable time for the investigation of the complaint. Station Grill reserves the right to refuse any unjustified complaint.

Exclusions

The following points are excluded from the coverage of this warranty:

- Deterioration of the product resulting from normal wear and tear;
- deterioration of the hardware due to the storage of swimming pool, spa or cleaning chemicals (chlorine, acid, bromine, lithium and others);
- adjustments, corrections or damage caused by improper installation performed by someone other than a duly authorized representative of Station Grill;
- any cabinet or cabinet component repaired or modified by a person other than a duly authorized representative of Station Grill;
- any defect, malfunction or failure caused by unreasonable use, improper application or lack of reasonable or necessary maintenance;
- any damage to the cabinets and cabinet components caused by subsidence or structural defects;
- any damage caused by a natural disaster, intentional acts, accidents, neglect or exposure to chemicals.

This warranty represents the only express warranties (both verbal and written) applicable to Station Grill products. No one is authorized to issue a different or additional guarantee.

This warranty is not transferable.
